

# Do you shop at **Meijer** or **Kroger**?

If yes, then please help the ACE PTA raise money for our school!

It's really, really easy and you don't have to sell anything!

---

## Here's how the **Meijer 1 Card** fundraiser works:

After you enroll Meijer will send you a **Meijer 1 Card** through the mail. (This is NOT a credit card.) When you check out after shopping at Meijer just give your **Meijer 1 Card** to the cashier to scan and ACE will receive .5% of this sale back in cash.

## How do I get a **Meijer 1 Card** to benefit the ACE PTA?

- To sign up just mail in a completed Meijer Community Rewards **Meijer 1 Card** application or call 1-800-962-7011. Card applications may be picked up at the ACE PTA table in the school's front hall. Whichever way you choose to sign up, you'll need to enter our school code which is **862362**. Each time the ACE PTA account reaches \$100, Meijer will send a check to the ACE PTA. It's that easy! (Note: You can also sign up for a Meijer Credit Card to help earn money for ACE. See the Meijer Community Rewards **Meijer 1 Card** application or go to [www.meijer.com/reward.com](http://www.meijer.com/reward.com) for more info.)

---

## Here's how the **Kroger Gift Card** fundraiser works:

Buy a \$5 Kroger gift card from the ACE PTA for \$5. You must buy it from the ACE PTA because these gift cards are already linked to the ACE PTA. The first time you shop at Kroger with this gift card there will be a \$5 balance on your gift card. Now you'll want to put more money on your gift card to shop because that's the way the ACE PTA raises money.

## How do I put more money on my **Kroger Gift Card**?

You can always recharge your gift card at the Kroger Customer Service desk or at your check out lane paying with cash, check or major credit card. However you must recharge it PRIOR to checking out. This means that before the cashier scans your items you must have already recharged your Kroger gift card. (To recharge for more than \$100, gift cards will have to be recharged at the Customer Service desk.) Once it's recharged simply use your gift card to buy Kroger groceries, gas and prescriptions. So when you check out you'll just swipe your gift card through the debit/credit card machine as you would any other card. It's that simple!

The Kroger gift card is not a credit card - it is a gift card with real money on it. So if you don't like the idea of keeping a gift card with a lot of money on it, you can simply recharge your gift card just **BEFORE** the cashier begins scanning your groceries in the check out line. **However, remember that the gift card recharge must be done as a separate transaction first.**

Each time ACE PTA reaches \$5,000 in recharges, Kroger will send a check to the ACE PTA for 4% of all recharges. **That's \$200 for every \$5,000 spent at Kroger!** Just think of all the great things our PTA can do for ACE students with this money!

## How do I buy a \$5 **Kroger gift card** to benefit the ACE PTA:

- Complete and send into ACE the attached form with **cash or check** payable to "ACE PTA" in an enveloped marked "ACE PTA – Treasurer/Kroger Gift Cards". You can then choose if you would like your card sent home with your student or mailed to you.

---

If you have questions about either the **Meijer 1 Card** or the Kroger Gift Card, call the ACE PTA Meijer/Kroger Committee Chair, Eileen Joseph at 263-0145. Also for more information about these programs, you can visit the following websites:  
[www.meijer.com/rewards](http://www.meijer.com/rewards) & [www.kroger.com/charityfundraising](http://www.kroger.com/charityfundraising).
